General Orders, No. 2.

I. THE FOLLOWING ORDERS ARE PUBLISHED for the information and guidance of all concerned:

Recognizing the necessity of officers of railroads having full control of their business in order to ensure safety and dispatch in transportation, military officers are prohibited from interfering with the engines, cars, running of trains, or with the control and management in any way of railroads.

II. When transportation of troops or freight by railroad is necessary, a Quartermaster or other authorized officer, shall make requisition for the same upon the superintendent or proper officer of the railroad, furnishing the necessary evidence of transportation, and delivering the troops or freight to be transported.

III. In the event that more freight is to be transported over any road than the road has the ability to carry promptly, the officer furnishing evidence of transportation will indicate to the railroad officer what shall take precedence. In the absence of any special order as to what freight shall go first the railroad officer shall be governed by any General order the Quartermaster General may issue in regard thereto.

IV. Where troops or freight is to be moved out of the usual routine of a railroad, the officer having charge of such movement, will fix with the superintendent, or other officer of the road on which the movement is to be made the day and hour of departure, and when so fixed, the troops or freight must be ready at the appointed time.

V. In the event of any military necessity for an unusual movement at any particular point the commanding officer at such a post will communicate fully the character and extent of service, to the principal officer of the road or roads from which it is required, and ask the personal supervision of the proper railroad officers to the duty.

VI. Quartermaster and Commissaries will exercise discretion in shipping freight not wanted for immediate use, and that may be stored at safe and convenient points, taking care not to block up roads and thereby impede transportation.

VII. When it is necessary to send a special messenger with freight, such messenger must travel with the freight placed in his charge, and his transportation shall be so specified on its face, in order to prevent him from travelling in any other way.

VIII. Enrolling officers will permit conscripts, enrolled while in the employment of railroads, to remain at their duties until Colonel William M. Wadley, A. A. G., decides as to who of them it is necessary should be detailed for service on the road.

IX. Any violation of these orders, or remissness on the part of railroad officers to perform promptly all Government transportation will be reported to Colonel William M. Wadley, A. A. G., who will indicate from time to time where his headquarters will be.

By order:

NORTH CAROLINA CHRISTIAN ADVOCATE.

NEW SERIES.

IT IS CONTEMPLATED TO RESUME THE PUBlication of the *North Carolina Christian Advocate* at an early day, under the patronage of the North Carolina Conference, and under the direction and ownership of a Joint Stock Company, composed of ministers and laymen, to secure its permanency.

It will be as its name imports, a CHRISTIAN *Advocate*.—It will sustain and defend the doctrines and discipline of the Methodist Episcopal Church, South, and labor to advance Christ's Kingdom on earth, and to promote peace and good will among all men.

Besides its earnest, *religious* character, it shall be an advocate of the moral, educational and industrial progress of North Carolina—a welcome visitor to every family and to the camps of our brave soldiers, and a faithful chronicler of what may be useful and interesting, and of the current news.

All our travelling and local ministers and the stockholders of the Company, are specially requested to act as Agents for the paper.

The old subscribers of the *Advocate* will be supplied with the *new series*, to the full amount due them at the time of its suspension, but as the mail books are not in the possession of the Editor, he must rely on the old subscribers themselves and the Agents, to furnish him with their names and post offices and the amount due them.

The *Advocate* will be well printed on good paper, and will contain an amount of reading matter equal to any paper in the State.

During the continuance of war prices, the subscription price will be $3 per annum, always in advance.

Agents who send us ten or more *new* subscribers and the cash, will be entitled to a copy of the paper for one year. It is desirable that a large list be sent in at once.

Address WM. E. PELL, *Editor*.
